**Declaration**

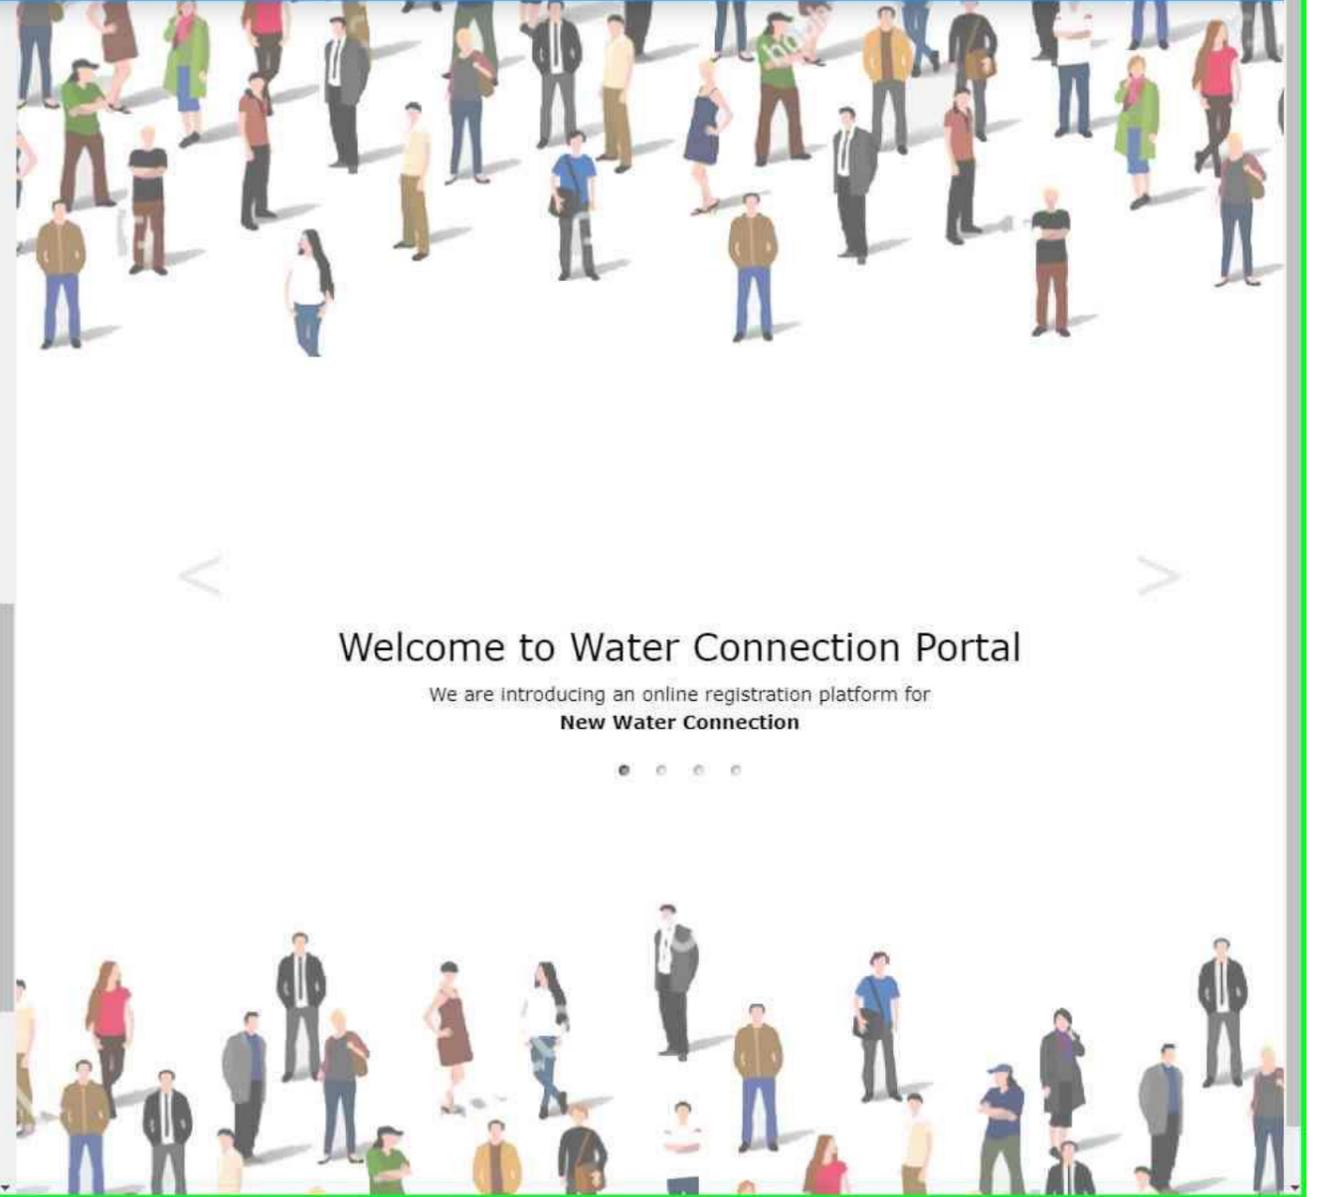

a) I hereby declare that all the information furnished by me is true to that best of knowledge and if any discrepancies are found. I will be responsible for disconnection of service by the SMC without any prior notice and any other legal action taken by SMC.

b) I declare that there is no dispute on property and there is no stay from any court of law against obtaining water connection.

c) I further undertake that in case of any dispute about the ownership of the property I will absolve SMC from any legal battle in the court of law as the water connection applied for is related to supply of potable water and not to decide the ownership of property.

d) I further undertake to pay the charges as and when demanded by SMC and in the event of non-payment. SMC will be at liberty to disconnect the service being provided by SMC.

e) I understand that sanction of connection does not acknowledge or confer any title, ownership or occupancy right in favour of the applicant.

f) I undertake to install my water connection only through licence plumber of SMC.

g) I understand that the SMC has a policy not to sanction more than two individual connections for each individual plot. If more than two water connections are required, I will surrender my existing individual water connection without any preconditions and apply for a bulk water connection.

h) I am applying for a water connection on my own and even if the water supply is available at a low pressure. I will not file any claim for any sort of compensation any court of Law.

I agree.
