177/memsecpcc/2018

No. PCC/DDD/OCMS/2016-17/
Office of the Member Secretary,
Pollution Control Committee,
DD & DNH,
Daman.

Date:- 23/04/18

C I R C U L A R

Pollution Control Committee, Daman Diu and Dadra & Nagar Haveli has taken many steps towards Ease of Doing Business in the line of thinking & policy of the Government of India. In order to further enhance the efficiency of working and bringing transparency in the Governance, the Online Consent Monitoring & Management System (OCMMS) has been developed by the help of NIC, New Delhi under the Ministry of Environment, Forest & Climate Change.

The Online Consent Monitoring & Management System (OCMMS) will facilitate the industries to apply for Consent to Establish (CTE) and Consolidated Consent & Authorization (CCA) online and certificate/ order for the same can also be received online. The entrepreneur can also track the movement of their files through OCMMS and can upload various documents as & when required as per the Consent conditions. This system will go a long way in not only bringing transparency in the governance but also will enhance the efficiency of the department & will result in faster delivery of services.

To get familiar with the OCMMS and any suggestions PCC DD & DNH had also organized training program with the help of NIC, New Delhi, MoEF & CC for the representatives of the industries/ hotel units of Daman and Dadra Nagar Haveli on 17th & 18th March 2018 respectively.

In this regard, it is to inform that from today onwards all the applications for CTE/CCA/CCA-Renewal and any other documents (annual report & environmental analysis report) will be received through the OCMMS only (<http://ddnocmms.nic.in/OCMMS>) and no hard copy will be entertained.

Member Secretary
Pollution Control Committee,
Daman and Diu,
Daman.

Copy to:-

1. The Chairman, Pollution Control Committee, DD & DNH.
2. The Member Secretary, Pollution Control Committee, DNH.
3. The General Manager, District Industries Center, Daman/Silvassa.
4. All Head office of Daman and Dadra Nagar Haveli.
5. All the concern PCC staff.
6. The President, Daman Industries Association, Daman.
7. The President, Silvassa Industries Association, DNH.
8. The President, Hotel Association, Daman/Silvassa.
9. On PCC, DD & DNH website.
10. SIO, NIC, DD & DNH for upload on website.

Online Consent Management & Monitoring System

a web based application for Consent
Management developed by NIC, Cell,
Ministry of Environment & Forest.

Daman& DIU-OCMMS

User Manual for Industries

Daman & Diu-OCMMS

Online Consent Management & Monitoring System is a web based application for Consent Management developed for the PCC (Daman & Diu and Dadra Nagar Haveli Pollution Control Committee) by NIC, Cell, Ministry of Environment & Forest. The process for of **Industry User** is mentioned in this manual.

Features of OCMMS

- Unified Global online application/ portal
- Role based application access
- Multi-level Security Enabled System
- Online Industry Registration
- Online Submission of Application, Approval, Clarification and other activities for CTE, CTO for all category of Industries / Institutions

ONLINE INDUSTRY REGISTRATION

Industry registration is an online feature; which will enable Industry applicant to register himself online to use the application for applying for Consents (CTE/CTO), Authorization and other features. Using this Industry will be able to generate the user temporary name and password, which he needs to use within the stipulated time. Once Industry uses the temporary user name and password for Consent Application; documents/details provided with this will be validated and user name will be confirmed and made available to him for future use. If Industry fails to use the temporary user name within the given time frame, then this user name will be deleted from the database and applicant will have to re-register himself to use the online application.

Daman & Diu and Dadra Nagar Haveli – Online Consent Management & Monitoring System

URL: ddnocmms.nic.in

User are advised to browse this site using Google Chrome browser for trouble free filing.

Click on New Industry Registration to register Industry on this Home Page

Screen Shot: Home Page

- Click “New Industry Registration”
- New Registration form will be displayed.
- For industry User should select from the following

Industries Establishment Hotels Establishment

General Details Occupier Details

- User fills the asked information and click “Submit”.
- Once submitted, System will validate the input data.
- If data is incorrect or mandatory filled not filled then system will prompt user to correct the information.

update Reset

Change your password immediately after first login

- Enter system generated password in **old password**.
- Enter the new password of minimum 8 characters size having at least 1 character, 1 digit and 1 special character (@, #, \$ only).
- Password should not be a last 5 password.
- After changing password successfully, you can login in to OCMMS by selecting radio button Industry and entering user id, password and Captcha code.
- Maximum 3 times you can enter wrong password, after that your account locks.
- Only way to unlock it is doing **forget password**.

Steps for reset forgotten password

- i. Click on Forget Password link on Homepage.
- ii. Click on Industry User
- iii. Enter User ID and then click on submit.
- iv. Enter Hint Answer of Hint question and then click on submit.
- v. After entering correct password it gives password change page, Enter new password and confirm it same.
- vi. Then you created a new Password.

The screenshot shows a web browser window with the URL `ddnocmms.nic.in/OCMMS/indCatMaster/forgetPassword`. The page title is "Online Consent Management & Monitoring System" and it is part of the "Ministry of Environment, Forest and Climate Change, Government of India". The page content includes a "Home" section with a tree image and a "Forget Password" form. The form has two radio buttons: "SPCB User" (selected) and "Industrial User". Below the radio buttons is a text input field labeled "Enter UserName* :". A blue callout box points to this field with the text "Enter User ID". Below the input field are two buttons: "Submit" and "Reset". A large blue callout box points to the "Submit" button with the text "Click on Submit".

Detail of Air Pollution Control System installed:

Do you have any proposal to upgrade the present Air Pollution Control Systems? if yes provide details:

If yes, provide the details:

Furnish a flow diagram of manufacturing process showing input and output in terms of products and waste generated including for captive power generation including for captive power generation and de-mineralized water.: No file chosen (maximum size 5 mb)

*** Instructions:**
There are four sections under Air Emission. Please fill all the details pertaining to Air Emission. To enter the details, use the links as follows:

- click "Add" link to add details
- click "View" link to view details
- click "Delete" link to delete details
- To update the delete, first delete the details you want to edit and then add new one.

I/We further declare that the information furnished above is correct to the beat of my/our knowledge.

I/We hereby submit that in case of change either of the point of discharge or the quantity of discharge or its quantity , a fresh application for CONSENT is granted no change shall be made.

I/We hereby agree to submit to the Pollution Control Committee an application for renewal of consent one month in advance of the date of expiry of the consented period for outlet/discharge if to be continued there after.

I/We undertake to furnish any other information within one month of its being called by the Pollution Control Committee.

Daman & Diu and Dadra Nagar Haveli – Online Consent Management & Monitoring System

The screenshot shows a web browser window with the URL `ddnocmms.nic.in/OCMMS/indApplicationDetails/doGetShow#`. The form is titled "Solid Wastes Produced" and includes a table with columns for "Add", "View", and "Delete". Below the table, there are several sections for providing details:

- Manifest for Hazardous and Other Wastes**: A table with columns for "Add", "View", and "Delete".
- Name & Address of persons/industries to whom the hazardous waste are sold for recycling or reuse:** A text input field.
- Detail of onsite collection, storage, disposal of hazardous waste:** A text input field.
- Do you have any proposal to upgrade the present solid waste management system ?**: A dropdown menu with "No" selected.
- Whether the applicant obtained registration of the unit from MOEF for possessing Environmentally sound Management Facilities for recycling /refining hazardous waste :** A text input field.
- Detail the important process machinery and its production capacity :** A text input field.
- Detail of manufacturing process :** A text input field.
- Detail of water Pollution control system installed including drawing and the copy of performance evaluation report of the same:** A text input field.
- Do you have any proposal to upgrade the present waste water treatment systems ?**: A dropdown menu with "No" selected.
- Whether any separate Electricity Meter is installed for pollution control system ? :** A dropdown menu with "No" selected.

The screenshot shows the same web browser window, but now the form is filled out. The "Process description including process flow sheet indicating inputs and outputs (raw materials, chemicals, products, by-products, waste, emissions, water waste etc.)Please attach sheet.:" field has a "Choose File" button and "No file chosen (maximum size 5 mb)" text. The "Details of environment safeguards and environmental facilities provide for safe handling of all the wastes at points (c) above.:" field also has a "Choose File" button and "No file chosen (maximum size 5 mb)" text. The "Hazardous and other wastes generated as per these rules from storage of hazardous chemicals as defined under the Manufacture ,Storage and import of Hazardous Chemicals Rules,1989.:" field has a "Choose File" button and "No file chosen (maximum size 5 mb)" text. The "Process description including process flow sheet indicating equipment details ,inputs and outputs (input wastes, chemicals, products, by-products, waste generated, emissions, waste, water, etc.).Attach separate sheets.:" field has a "Choose File" button and "No file chosen (maximum size 5 mb)" text. Below these fields, there are instructions and a "Save" button. The "Save" button is highlighted with a blue arrow pointing to it.

Instructions:

- click "Add" link to add the Hazardous Waste details
- click "View" link to view the Hazardous Waste details
- click "Delete" link to delete the Hazardous Waste details
- To update the Hazardous Waste delete, first delete the Hazardous Waste details you want to edit and then add new one.
